Attorney Docket No. SRE0004-US

ABSTRACT OF THE DISCLOSURE

Systems and methods are disclosed for transacting business between a solicitor

and a business. The system includes a server used by a business. The server is accessible

by a solicitor. An evaluator is housed on the server. The evaluator receives input data by

the solicitor and determines at a first stage whether the input data is complete to receive

further evaluation, and at a second stage whether the input data as a whole falls within

one or more specific pathways of further data evaluation.
